Continue to improve student achievement at all grade levels for all students and close achievement gaps where they exist.

1. Each demographic group, school, and the district will meet or exceed the yearly Annual Measurable Objectives as identified by the New Jersey Department of Education.
2. Each high school demographic group will meet or exceed the State mean scale score on the SAT Critical Reading, Math, and Writing.
3. Finalize development of a plan for special education program expansion in order to meet the needs of students and increase the number of special education students who remain in district.
4. Establish a transition plan at each level to assimilate new students into the district and address achievement gaps that exist upon their arrival.
5. Develop and facilitate a monitoring and assessment system for feedback and growth to achieve cultural competency and continually strive for cultural proficiency daily practice as defined by the 2012-2013 cultural proficiency goals.
