January is School Board Recognition Month

The word "public" in public school refers to the fact that the citizens themselves oversee the public schools. In New Jersey, as in most other states, the citizens do this in part by electing a school board. Board members must be residents of the school district. Our school board, the Cherry Hill Board of Education (BOE), is composed of nine people: Mrs. Carol Matlack, President; Mr. Elliott Roth, Vice President; Mrs. Sherrie Cohen; Dr. J. Barry Dickinson; Mr. Eric Goodwin; Mrs. Colleen Horiates; Mrs. Kathy Judge; Mr. Steve Robbins and Mrs. Lisa Saidel.

Our Board of Education develops a mission statement and goals toward which to work each year. Members of the board take on a variety of responsibilities, including adopting a balanced annual budget and issuing interim financial reports, negotiating contracts, and approving curriculum materials, just to name a few.

Rosa Middle School Contributes Art to Mural Project

As a part of the Martin Luther King Day of Service, 11 eighth grade Rosa International Middel School students created a panel to add to a Philadelphia Mural Arts Program mural, celebrating the 50th anniversary of the Voters Rights Act.

Pictured above with their work, the students unveiled their panel at a press conference at Girard College on January 7. The artwork depicts the students' thoughts and feelings about the 50th anniversary of the passage of the Voters Rights Act, as well as their reflections on the current state of voting rights.

Rosa was one of only six schools chosen to participate in the event. The students' work will be on display at Girard College through the end of January.

Negotiations Update

Negotiations continue between the Cherry Hill Education Association (CHEA) and the Cherry Hill Board of Education.

Negotiation sessions began in May. Both the CHEA and the BOE agreed in November that bringing in a state-appointed mediator would be helpful to the process. The first mediator-facilitated meeting took place on December 15, 2015. The next meeting is scheduled for January 22, 2015.

Correction: In the January 9, 2015 edition of CHPS Weekly, "Where Are They Now?" subject Michael Mandel was identified as a graduate of Cherry Hill High School East. He is a graduate of Cherry Hill High School West.

significant is that each BOE member serves as a volunteer. Members devote countless volunteer hours to their work on the School Board. Each term is three years long.

This month, a banner hangs in the lobby of the Malberg Administration Building (pictured above) in recognition of our board's all-volunteer service. We thank them for their significant contribution to our community.
