## CHPS Weekly

District News for the week of August 15, 2014

## Great Year Ahead 2014-2015

Our excitement in Cherry Hill for the 2014-2015 school year is building as we ready our schools and our staff for the opening of school on **September 3.**

Welcome to our new format for our weekly news: "CHPS Weekly" which we will use to provide you with updates and information about the many

### UPCOMING EVENTS

#### [Sixth Grade Orientations](#)

##### Carusi:

Tuesday, Aug. 19, 7 pm

##### Rosa:

accomplishments throughout our schools.

Our staff members have been eagerly working all summer preparing for the 2014-2015 school year. There is much to accomplish in each office throughout the summer months. The buildings are on the way to looking terrific as they are cleaned and prepared for the return of students and staff. We're particularly pleased with the work underway to install 27 new, energy-efficient boilers throughout the district. This work has been progressing steadily and will be completed in October.

We are continuously adding events to our [Activities Calendar](#), now available on the [District web site](#). (Dates/times for our orientation sessions and the first day of school also are at right). [Details about events and accomplishments throughout the District, found by clicking here.](#) will continue to be posted on our web site. And, be sure to follow us on [Twitter](#) and [Facebook](#) for the latest District information.

Remember to [please send us any information](#) you'd like to have published.

As we enter the final two weeks of the summer break I hope the excitement of a new school year is beginning to build in your household; it is throughout our schools! Enjoy these remaining weeks with your children.

Sincerely,

Maureen Reusche, Ed. D.

Superintendent

Wednesday, Aug. 20, 7 pm

**New Boilers Mean**

## Welcomes New Students

Meet Sheri Desjardins, Pam Cowan and Denise Gallagher, the hardworking trio in our [Registration Department](#). They welcome all new families to the Cherry Hill Schools and answer any questions about registration. [Click here for information about scheduling an appointment.](#)

## the Ready

Our administrators have been working through the summer to ensure a wonderful new year. Kelly McKenzie, assistant principal at [Carusi Middle School](#), is among the new faces at several schools. We'll be introducing all of our principals and assistant principals in the coming weeks.

## Better Heat, Energy Efficiency

These new boilers at [Rosa Middle School](#) are one example of the 27 new boilers being installed throughout the District. [The before and after photos](#) of this ongoing work show our progress. Not only are our new boilers highly energy-efficient, they are much more space-efficient.
