The Cherry Hill Board of Education has approved Policy # 3453.1: Student Fees for select extra curricular and co-curricular activities for all students in grades 6-12 beginning with the 2010-2011 school year. The purpose of this fee is to help defray the costs for of the active supplemental contracts issued to coaches/advisors, arrangements for transportation, officials, rental fees, uniforms, participation fees for these activities and which are funded by the general fund. **This is a one time fee per school year and permits students to participate in multiple activities.**

The fee collection and guidelines are as follows.

- All student fees and the completed Student Activity Form for athletics and extra curricular activities (see hand out for activities that require a fee) must be collected prior to the first try-out, organizational meeting or practice.
- Students who have not paid the student fee by the aforementioned dates may not participate in the activity until the financial obligation is met.
- Checks or money orders (not cash) are payable to Cherry Hill Schools and must be accompanied by a completed General Fee Form and mailed to the following addresses. Beginning in August 2012 parents may use PayPal to make on-line payments. There is a transaction fee (which is the responsibility of the parent) added to the cost of the activity fee when using this option. Any non-negotiable checks may be assessed a fee.

- **The fees are non-refundable.**

STUDENT FEES

Annually, the Board of Education and administration face the very difficult task of developing a budget which supports the goals of the Cherry Hill Public Schools and our commitment to a pre-eminent education and co-curricular programs, while recognizing the growing cost to local taxpayers. Co-curricular programs include athletics and other activities which students participate in that are supported by general education funds.

Our rich, diverse offering of co-curricular activities available to our students are considered an integral part of the middle and high school experience as well as an asset to the community. In order to continue to support the broad range of educational experiences, the Board of Education has determined that a fee must be implemented for students in grades 6-12.

The Board of Education will review this policy annually prior to the beginning of the school year and will receive the recommendations of the Superintendent or designee for both the annual fee for students as well as the maximum amount per family. Students eligible for free or reduced lunch are exempt, and other exemptions may be granted by the Superintendent or his/her designee for good cause. Non-exempt students who fail to pay the fee will be ineligible to participate in such co-curricular activities as are designated by the Superintendent and which receive funding from the general fund budget, until such time as the fee is paid. All fees must be paid prior to the first try-out or practice or the first organizational meeting for club or extra curricular activity.
