NOVEMBER						
1	2  MASK, HAND WASHING & SOCIAL DISTANCING PRACTICE; BUS PROTOCOLS!	3	4	5	6	7
						

**October 21-23 (2 ½ weeks until Hybrid launch):** Mask practice! If you haven't already, now is the time to have your children practice wearing their mask for increasingly longer periods of time throughout the day. And please be sure the mask is always worn correctly, over the mouth AND nose! Please be sure to have a thermometer and print out our [printable COVID-19 Screening Checklist](#) for daily reference.

**Week of October 26 (2 weeks until Hybrid launch):** Mask practice continues! This is also a good time to practice thorough hand-washing – 20 seconds of washing with soap and running water. Need a demonstration? [A video tutorial from the CDC is available online.](#)

**Week of November 2 (ONE WEEK until Hybrid launch):** Mask & hand washing practice continues! Please also make sure you go over social distancing with your children. They will be seated 6 feet apart in classrooms whenever possible and will be expected to stay socially distanced in the hallways and in the restrooms. The number of students allowed in a restroom at any given time also will be limited.

WE can't wait to see our students! If your child is riding the bus, please explain to him/her that the bus windows must be open for the entire ride, and please dress accordingly! In addition to continuing to remind you child about mask wearing, hand washing and social distancing, you may share our lighthearted ["Welcome Back with Westley & Crimson!" video](#), updated for our November 9 reopening.
