March 8, 2021

Dear Cherry Hill Families,

As we prepare to have our students return to school for 4 days per week – Tuesday through Friday – beginning tomorrow, March 9, I want to inform you that the 3-sided plexiglass dividers we expected to be delivered last Friday and today have not arrived.

As you know, 6 feet of distance between students in some classrooms will not be able to be maintained at all times. Parents whose children will be in such classrooms received an email of explanation from their school principal late last week.

Our purchasing department is working with the vendor to expedite delivery of the dividers. In the meantime, all students and staff will be expected to continue to follow the essential protocols in place throughout our buildings:

- Completing the [COVID-19 self-assessment checklist](#) before leaving for school each morning
- Wearing a mask on the school bus
- Wearing a mask at all times in the school building
- Maintaining 6 feet of distance in the hallways
- Washing hands/using hand sanitizer frequently

The health and safety of our students and staff remain the District's top priority. Parents who do not feel comfortable sending their children into school until the dividers arrive may keep their children home to attend school remotely. Children in the Hybrid Model who sign on remotely will be counted present.

I thank you for your patience and flexibility. If you have specific questions about your child's situation, please contact your building principal.

Regards,

Joe Meloche
Superintendent
