August 23, 2021

Dear Cherry Hill Community Members,

The Cherry Hill Board of Education is committed to the health and safety of the students, staff, administration and members of the community who attend Board of Education meetings. As such, we will be complying with Executive Order 251 and will require all in-person attendees to wear a mask at all times.

We respect that some are not able to wear masks. As an accommodation, we will provide the Zoom platform as means to attend and participate in Board of Education meetings. This will uphold the rights of individuals with medical conditions who cannot wear a mask, while keeping those in attendance safe. Emailed comments will not be read publicly.

Anyone who attends the in person meeting without a mask will be asked to wear one or leave the building and participate remotely.

In support of our students, staff and community, we ask that everyone be respectful of this process.

Regards,

Joseph N. Meloche  
Superintendent, Cherry Hill Public Schools

Laurie Neary  
President, Cherry Hill Board of Education
