October 30, 2020

Dear Cherry Hill Public Schools Families,

We are already nearing the end of October, and our Hybrid Learning Model start date of November 9 is just around the corner!

I want to reiterate that I am very excited to welcome students back to our buildings in slightly more than a week. Our PSAT testing at the high schools earlier this month went smoothly, with students and staff masked and socially distanced. The positive energy in the high school buildings that day was a wonderful indicator of what's to come when students return to all of our buildings.

As we are approaching some days off in our [calendar](#) as well as the holiday season, I sincerely hope you are able to take time to relax, see friends and family, and recharge. I also know this is traditionally a time for travel and vacations. I kindly ask that if you are traveling before sending your child back to school in the hybrid model, please continue to utilize the Centers for Disease Control and Prevention's (CDC) recommended safety guidelines such as wearing a mask, frequent handwashing, social distancing, etc. If you are traveling to an area on [New Jersey's Travel Advisory List](#), I urge you to consider the State of New Jersey's recommendation to quarantine your family for 14 calendar days upon your return. Should you choose to utilize this measure to help us protect our staff and students, your children may avail themselves of our remote instruction during that time. If they are present remotely, this time will not be counted as an absence. We would sincerely appreciate your consideration.

Please see the link, [Self-Quarantine for Travelers Frequently Asked Questions](#), for further information. If you are traveling abroad, please see these [Travel Advisories](#) from the U.S. Department of State – Bureau of Consular Affairs.

Again, I am sincerely grateful of your efforts, many of which have been difficult, but necessary, in order to keep our community safe and healthy. I am deeply appreciative of your support.

Sincerely,

Dr. Joseph Meloche  
Superintendent, Cherry Hill Public Schools
