August 27, 2024

Dear Cherry Hill Public Schools Community,

Greetings and Happy New Year! On behalf of our Board of Education and our dedicated faculty and staff, I am honored and delighted to welcome you all to the 2024-2025 academic year. As we embark on this new chapter, we eagerly anticipate a fantastic school year for our nearly 11,000 students. I hope your summer has been invigorating, refreshing, and memorable. As the first day of school approaches on September 3, 2024, we eagerly await the return of our students. Our staff has been diligently preparing our school buildings to ensure a smooth transition back into academic life.

This summer has been a period of significant progress across our district. Upon their return, students will notice construction taking place to improve our facilities. They will be introduced to new ELA and mathematics curricula at the elementary level, a revised schedule at the middle school level, or new mathematics pathways at the high school level. Most notably, students will experience a new Wireless Communications Devices policy that restricts the use of wireless devices during instructional time. We believe that minimizing distractions from wireless devices during instructional time will enhance academic performance and focus. I thank the entire Cherry Hill Public Schools community in advance for your support in implementing this policy smoothly.

As the Superintendent of CHPS, I am proud to lead our district into this new school year, guided by the core values of collaboration, innovation, and excellence. I firmly believe that every student's voice matters. Our priority is for each student to feel valued, included, and part of a caring school community that reflects a high standard of excellence.

Once again, welcome to the 2024-2025 school year. We look forward to collaborating with our students, parents, and staff to create a strong, supportive community, making this year a memorable and successful one for all. I look forward to seeing you all on September 3rd!

Warm regards,

Dr. Kwame R. Morton, Sr.
Superintendent, Cherry Hill Public Schools
