Happy Fall Bobcats!

Dear Parents and Guardians,

We welcomed our 7th and 8th grade parents/guardians to school for our Back to School Night on Wednesday, September 20th. It was a fantastic opportunity to see our 7th and 8th grade parents/guardians and give them a quick peek inside our classrooms.

HAPPY FALL, Y'ALL

Thank you to:

- Student Government Association (SGA) students who helped parents/guardians find classrooms.
- French students who assisted Madame Bittout and shared their expertise in French language and culture.
- Board of Education member, Corrien Elmore-Stratton who greeted arriving parents/guardians and helped them navigate to our school counseling office.

PBIS Rewards - Parent/Guardian Access

We have officially closed out our first week of using our new [PBIS Reward System](#)! We are excited that parents have already begun to download the app and can view their child(ren)'s rewards points! By now, everyone should have received an email from Navigate360 with instructions on downloading the app and setting up your account. If you have not received the email, first check your spam folder. If you still do not have the email, please contact Ms. Sims at nsims@chclc.org to get set up. So far, we have **70 parents** who have the app downloaded. We are looking forward to promoting a positive school culture using this program!
