January, 2021

Dear Parent/Guardian,

Over the next 2 months, you and your child will decide which high school to attend and which courses to take. The school district and I will conduct all informational meetings virtually. In order to help you complete the scheduling process, the district and I have created the following schedule of meetings:

January 7: High School Course of Study Night presentation by district personnel at 7pm. More information will be forthcoming.

January 14: H.S. Counselors present information to 8th grade students remotely during the school day.

January 21: High School East open house beginning at 7pm.

January 27: High School West open house beginning at 7pm.

February 1 – February 5: Mr. Young will meet with students to discuss scheduling procedures during the school day.

February 8 (7am): Recommendations are available to parents/students through Genesis. Course selection begins.

February 26 (5pm): Course selection is closed.

Please note that all high school information, links, materials, etc. will be posted in my Google Classroom.

This is a new process for all of us and I look forward to providing guidance for your child's educational future. This can be achieved by working together and utilizing the available resources in a timely manner. Please join your child in making informed decisions over the next two months.

Please do not hesitate to email me at jyoung@chclc.org if you have any questions or concerns along the way.

Sincerely,

Jay Young
8th Grade Counselor
