Dear Parents:

Today at Cherry Hill High School East at approximately 10:25 am, an alleged threat on social media was reported to our administration. Our Campus Police were notified and in turn notified Cherry Hill Police, and both police forces began an immediate investigation. The school was placed on lockout at 10:25 am and Cherry Hill Police arrived at the school. During a lockout:

- All outside activities are suspended
- Exterior doors remain secured
- No one is permitted to exit or enter the building except for outside activities
- Classroom instruction and the change of classes proceed as normal

The police determined that the alleged threat was not credible, there was no threat directed at the school, and the lockout was lifted at 11:00 am.

I would like to thank our Campus Police and the Cherry Hill Police Department for their quick response. I also would like to thank the individuals who reported the threat.

Please feel free to call me if you have any questions.

Sincerely,
