

Free Vision Care for Your Student

Your child is eligible to receive a free eye exam and, if prescribed, glasses through a VSP Vision™ Eyes of Hope® gift certificate.

Good vision can help your child succeed in school and other activities. Routine eye exams can also help keep your child healthy.

The VSP Eyes of Hope gift certificate will cover the following at no cost to you:

- Comprehensive eye exam
- Marchon® or Altair® Eyewear brand frame* up to a \$150 retail frame allowance
- Single-vision, lined bifocal, or lined trifocal prescription lenses in polycarbonate

Vision therapy may also be covered if prescribed. Lens enhancements may be available at an additional cost. Please discuss these options with your eye doctor.

Instructions for Using Your Student's Gift Certificate

1. Call VSP® Vision Care at **800-877-7195** (translation services available) or visit **eyedoctor-kids.vspeyesofhope.com** to find a participating VSP network doctor that carries brands like Flexon®, Kilter®, Lenton & Rusby®, Marchon NYC™, and Otis & Piper™*.
2. When you've found a VSP network doctor, call them to make an appointment. Let them know you have a VSP Eyes of Hope gift certificate for an exam, lenses, and frame.
3. Bring the certificate with you to the appointment.

Important Information

- Your student can use one certificate every 12 months.
- The certificate must be used before the expiration date listed.
- Your student must receive an eye exam and glasses from the same eye doctor's office.
- Lost, stolen, or broken glasses received through the certificate will not be replaced.

Questions? Contact the school nurse or organization who provided the gift certificate, or call VSP Vision Care at **800-877-7195**.

*Visit **marchon.com** and **altaireyewear.com** for a current list of frame brands. Not all frame brands listed may be within the covered allowance.

VSP Eyes of Hope gift certificates are not for resale and have no monetary value.
