

SAT/PSAT WORKSHOP

- It's a **4-day workshop** (14 total hours) taught by experienced teachers in the district to prepare participants for the SAT (or PSAT) exams. The curriculum includes a combination of previous exams and the use of an SAT preparation book.
- Each 4-day course will cover **EITHER Math OR English**.
 - **Want help with BOTH Math & English???** No problem, we suggest you take one course each week! That would be 28 hours if taking both Math and English, ideally over both weeks.
- Classes will have an **average of 10-12 students**, to provide for individual conferencing.
- If any students are interested in the ACT, the teachers in the workshops will highlight the differences and can individually help students interested in the ACT to practice.

COLLEGE ESSAY WORKSHOP

- It's a **4-day workshop** (12 total hours) taught by experienced teachers in the district to prepare students to write their college admissions essays. The curriculum includes an exploration of styles and rhetorical strategies, as well as individual conferencing.
- The course is recommended for **RISING SENIORS** only.
 - **If you participate in the SAT/PSAT Workshop** now, you will still receive the discounted price of **\$100** (\$150 non-resident) when you are a rising senior.
- Classes will have an **average of 10-12 students**, to provide for individual conferencing.
- Each participant will have at least one college essay completed by the end of the course.
