

MAJOR MILESTONES OF ACHIEVEMENT

Our major milestones of achievement function as critical checkpoints, indicating that our students are acquiring the necessary skills for academic success. These milestones not only track progress but also ensure preparedness for post-secondary

- High school seniors will graduate on time and be prepared for post-secondary success in college, the military, or the workforce.
- By the end of tenth grade, every student will be on track to graduate high school on time.
- By the end of eighth grade, all students will be prepared for ninth grade and will demonstrate a strong foundation in algebraic concepts, ensuring their preparedness for high school (thus facilitating their readiness to learn more advanced topics in future years)
- Every student will be reading at grade level or above by the end of third grade.
- Every student will enter kindergarten ready to learn and to read fluently by the end of first grade.
