

**PROJECT
GRADUATION
CH WEST**

What is Project Graduation?

Project Graduation is an alcohol drug-free party for West graduating seniors. It is essentially their first high school reunion. The event has been held at the JCC in Cherry Hill and High School West from 10pm-4am the night of their graduation. The seniors are able to play basketball, dance, race through inflatables and much more. The most exciting part of the event is the raffle at the end of the night which they have a chance to win incredible prizes such as laptops, televisions, Ipads, smartphones, Bluetooth speakers, tower fans and lots more!

Look for more information throughout the year. Like us on Facebook @PGCherryHillWest.
