High School Graduation Requirements

The information on the next few pages will be updated when guidance from the New Jersey Department of Education is provided regarding the high school graduation requirements.
## Proposed Amendments to High School Assessment Component and Graduation Assessment Requirements

<table>
<thead>
<tr>
<th>Topic</th>
<th>Current Regulations</th>
<th>Amendments as of October 3, 2018*</th>
</tr>
</thead>
</table>
| **High School Assessment Component**       | • ELA 9, 10, 11<br>• Alg. I, Geometry, Alg. II<br>
*An advanced English course with an aligned assessment (IB or AP) may be substituted for the ELA 11 state assessment. Algebra II is not a required course for high school graduation so every student would not take the Algebra II assessment.* | • ELA 9 and 10<br>• End-of-course math in 9th and 10th grade (Algebra I and Geometry or Geometry and Algebra II) |
| **Graduation Assessment Requirements**     | • Must take and pass:<br>  • ELA 10<br>  • Algebra I                              | • Must take and pass:<br>  • ELA 10<br>  • Algebra I                  |
| **Alternative Graduation Assessment Pathways for students who do not pass ELA 10 and/or Algebra I** | • Starting with the Class of 2019, the student will be assigned an alternative pathway | Maintain the menu of graduation assessment options (currently afforded to the Class of 2020) that includes other end-of-course state assessments (e.g. Geometry and Algebra III) and assessments such as ACT, SAT, PSAT, ASVAB, and ACCUPLACER<br>• Portfolio Appeals Process |
| **Access to the Menu of Graduation Assessment Options for students who take but do not pass ELA 10 and/or Algebra I** | • Starting with the Class of 2020, a student must take all other applicable state assessments (Geometry, Algebra II, ELA 9 and 11) prior to being able to avail themselves of the menu of alternative competency assessments | • A student must be remediated in and be offered the opportunity to retake ELA 10 and/or Algebra I (including during the summer) |

*Note: The amendments to N.J.A.C. 6A:8 were moved to proposal level by the New Jersey State Board of Education on October 3, 2018. Districts must continue to follow the current high school graduation assessment requirements until the proposed changes are adopted by the State Board of Education. The full text of the proposed changes can be accessed via the New Jersey Department of Education’s [website](#).*
Summary of Proposed Changes Previously Presented at Earlier State Board Meetings

- Eliminate references to “PARCC”
- Technical changes throughout
- Clarify that a student’s IEP or 504 plan establishes the individualized accommodations and modifications that a district must provide
- Extend to high school that allows Dual Language Learners in their first year in the U.S. to substitute a state-mandated language proficiency test for the state graduation assessment; allows students who as a result of this law, do not take the ELA 10 to be granted access to the alternative graduation pathways
- Ensure boards of education provide student state assessment results to students, parents, and teachers within 30 days of receipt from the NJDOE

Note: The amendments to N.J.A.C. 6A:8 were moved to proposal level by the New Jersey State Board of Education on October 3, 2018. Districts must continue to follow the current high school graduation assessment requirements until the proposed changes are adopted by the State Board of Education. The full text of the proposed changes can be accessed via the New Jersey Department of Education's website.
Testing Requirements for Graduation

SCIENCE

11th grade Comprehensive Science Assessment

*Must take NJSLA-S*  
(*NJ Student Learning Assessment for Science*)
Levels

AP = Advanced Placement
H = Honors
A = Accelerated
R = Regular (Math / ELA)

*additional levels and programs are available based on IEP determination
English as a Second Language Program

- Eligibility is based on the results of a state-approved English language placement test.

- Students at Level I receive 10 credits. This course serves as both the student’s English class and ELL support.

- Students at Levels II and III receive 5 credits. This serves as a support in addition to the student’s regular English class.
Cherry Hill Public Schools 2019-2020 Social Studies Sequence

Grade 12
- Social Studies Elective

Grade 11
- US History II AP
- Social Studies Elective

*only available at CH East
**only available at CH West

Important Note: Students can move across levels.
Cherry Hill Public Schools 2019-2020
World Language Sequence

Grade 12
- AP Spanish
  - AP French

Grade 11
- Spanish or French
  - 4H

Grade 10
- Spanish or French
  - 3H

Grade 9
- Spanish or French
  - 2H

Grade 8
- Spanish or French

Start a New Language

Important Note: Students can move across levels.

*It is expected that students who have completed Spanish or French at Beck, Carusi, or Rosa will take a Level 2 course in 9th grade.
*Students who want to start a new language at an accelerated pace should pursue the 1H sequence.
**Chinese I A/H is offered to students in grades 9, 10, 11, or 12. Chinese II A/H is offered to students in grades 10, 11, 12.
The Seal of Biliteracy seeks to:

- Encourage students to study language
- Certify attainment of biliteracy
- Prepare students with 21st Century Skills
- Recognize and promote second language instruction in public schools
In order to be eligible to receive the Seal of Biliteracy, students must meet the following criteria:

- Students must demonstrate a proficiency level of Intermediate Mid in a World Language.
- Students must demonstrate proficiency in English by meeting state high school graduation requirements in English or its alternatives, including State ELA assessments.

*Specific testing criteria proficiency scores are available through the World Language Department.*
Dual Credit and Advanced Placement Opportunities

- Partnerships with local colleges and universities offer our students college credits for qualifying courses they take in high school.
- **Freshman Dual Credit Offerings:**
  - Public Speaking - Camden County College
  - African American Studies - Stockton University
- **Advanced Placement**
  - CHPS named in 9th Annual Honor Roll
  - Consider your 4 year plan
  - Excellent opportunity to attain college credits while in high school
Other Opportunities

• Four-year Career Programs
• Hands-on, real world experience (Medicine, Technology, Trades, Culinary, Design and more)
• Challenging Academics aligned to NJSLS (AP and Honors course offerings)
• Earn up to 30 college credits
• Gain apprenticeship hours - towards state boards or trade-related programs
• Career placement opportunities, starting immediately after graduation
Air Force Junior Reserve Officer Training Corps (AFJROTC) is a program designed to develop citizens of character, dedicated to serving their nation and community. The AFJROTC program provides citizenship training and an aerospace science class for high school students.
Physical Education and Health

All students must take PE/Health.

*Physical Education exemptions (Independent Study Physical Education) must go through Physical Education/Health Supervisor.
Athletics

- Each High School offers 26 Athletic Teams
  - 16 Freshman Teams/Sports
- Requirements
  - Annual Physical
  - Online Registration
  - Activity Fee
- Athletic Schedules
  - Online

www.chclc.org/Athletics

2017-2018
- 51 All Conference Athletes
- 9 All South Jersey
- 7 Teams in Sectional Final
- 2 State Finalist
- 2 Coach of the Year Winners

Fall 2018
- 34 All Conference Athletes
- 12 All South Jersey
- 3 Conference Champions
- East XC Ranked 2nd & 3rd in SJ

17 NCAA Division 1 Commits in the Fall of 2018
Athletics

- Sports multiple offerings
- Physicals
- Online Registration
- Activity Fee

NCAA Eligibility

• For student athletes, you must take note that there are core course eligibility requirements for participation in NCAA Division I & II athletics.

• Guidance counselors are available to support students through this process.
Electives

- Elective courses are worth either 2.5 or 5 credits

- Students are requested to choose two alternates for every elective chosen. When choosing two alternate electives for each first elective choice, choose those that correspond to either 2.5 or 5 credits.
Electives

- Elective courses may not run due to insufficient enrollments and alternate selections will be used to fill a schedule.
- Sophomore, Junior, and Senior students may be given preference in elective classes.
- You are choosing courses – not teachers or periods.
