Article 1.4
GRIEVANCE PROCEDURE AS TO ALL UNIT MEMBERS

A. Definition

The term "grievance" means a complaint that there has been an improper application, interpretation or violation of any term or provision of this contract, or of an administrative decision, or Board policy affecting terms and conditions of employment.
B. Procedure

1. A grievance may be filed by an individual unit member, a group of unit members, or by the Association, either in its own name or as the representative of a group or class whose individual signatures shall not be necessary. Any grievance must be lodged at the proper initiating level within 45 school days of the happening of the event.

2. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step. Time limits may be extended by the mutual consent of the parties.

3. It is understood that Certified Staff shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.
   a. The purpose of this procedure is to attempt to secure, at the lowest possible level, equitable solutions to the grievances, which may from time to time arise, affecting certified staff. Both parties agree that filed grievance documents will be kept as confidential as may be appropriate.

4. A grievance, which involves a question of salary, shall be filed in duplicate. One copy shall be presented to the principal involved and the other shall be filed with the Director of Human Resources.

5. Level One - Informal Presentation

Except for group, class or policy grievances which shall be initiated by the Association at the Superintendent's level, anyone who has a grievance shall discuss it first with his/her principal (or immediate supervisor, if applicable) in an attempt to resolve the matter informally at that level.

6. Level Two – Principal or Immediate Supervisor

If, as a result of the discussion, the matter is not resolved to the satisfaction of the grievant within five (5) school days, he/she shall set forth the grievance in writing to the principal or immediate supervisor, specifying:
   a. the nature of the grievance;
   b. the nature and extent of the injury, loss or inconvenience;
   c. the results of previous discussions;
   d. his/her dissatisfaction with decisions previously rendered. The principal shall communicate his/her decision to the grievant in writing within three (3) school days of receipt of the written grievance.
7. **Level Two A – For Facilities Staff only**

If the aggrieved Facilities Staff employee or the Association is not satisfied with the disposition of his grievance at Level Two, or if no decision has been rendered within ten (10) school days after the grievance was delivered to the designated Supervisor, he may, within five (5) school days after a decision by the designated Supervisor or fifteen (15) school days after the grievance was delivered to the designated Supervisor, whichever is sooner, the aggrieved person or the Association may submit its grievance to the Assistant Superintendent for Business.

8. **Level Three - Superintendent**

The grievant, no later than five (5) school days after receipt of the principal’s or the immediate supervisor’s decision, or in the case of Facilities Staff employees after receipt of the Assistant Superintendent for Business’ decision, may appeal the principal’s decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing reciting the matter submitted to the principal or the immediate supervisor as specified above and his/her dissatisfaction with decisions previously rendered. The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed five (5) school days. The Superintendent shall communicate his/her decision in writing to the grievant and the principal or immediate supervisor.

9. **Level Four - Board of Education**

If the grievance is not resolved to the grievant’s satisfaction, he/she, no later than five (5) school days after receipt of the Superintendent’s decision, may request a review by the Board of Education. The request shall be submitted in writing through the Superintendent of Schools, who shall attach all related papers and forward the request to the Board of Education. The Board, or a committee thereof, shall review the grievance and shall, at the option of the Board, hold a hearing with the grievant and render a decision in writing within twenty (20) school days of receipt of the grievance by the Board.

10. **Arbitration**

   a. Notice of intention to proceed to arbitration shall be given to the Board through the Superintendent within ten (10) days after the receipt of the decision that is being appealed. Only the parties signatory to this Agreement shall have the right to proceed to arbitration and said right shall not accrue to an individual teacher or a group of teachers. As to an improper application, interpretation or violation of administrative decisions or board policies said arbitration shall be advisory only. As to an improper application, interpretation or violation of any term or provision of this contract, said arbitration shall be final and binding. All arbitration shall be conducted under the rules of the American Arbitration Association.
11. The arbitrator shall limit himself/herself to the issues submitted to him/her and shall consider nothing else. He/she can add nothing to, nor subtract anything from, the Agreement between the parties or any policy of the Board of Education. Only the Board, the Association, and the aggrieved shall be given copies of the arbitrator's opinion and award. This shall be accomplished within thirty (30) days of the completion of the arbitrator's hearings.

12. Rights of Employees to Representation

   a. Any grievant may be represented at all stages of the grievance procedure by himself/herself, or, at his/her option, by a representative selected or approved by the Association.

   b. When a grievant is not represented by the Association in the processing of a grievance, the Association shall, at the time of submission of the grievance to the Superintendent or any later level, be notified that the grievance is in process, have the right to be present and present its position in writing at all hearing sessions held concerning the grievance and shall receive a copy of all decisions rendered.

   c. The Board and the Association shall assure individual freedom from restraint, interference, coercion, discrimination or reprisal in presenting his/her appeal with respect to his/her personal grievances.

13. No meeting or hearing conducted under this procedure shall be public. The only parties in attendance shall be the parties in interest and the designated or selected representatives contemplated in this article.

14. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

C. Costs

1. Each party will bear the total cost incurred by themselves.

2. The fees and expenses of the arbitrator are the only costs which will be shared by the two parties and such costs will be shared equally.

D. The following matters shall not be arbitrable as to Certified Staff:

1. The failure or refusal of the Board to renew a contract of any non-tenured teacher.

2. In matters where a method of review is prescribed by law, or by any rule or regulation of the State Commissioner of Education or the State Board of Education.

E. The following matters shall not be arbitrable as to Secretarial Staff, Support Staff, Technology Staff and Facilities Staff:
1. The termination of a contract of an employee.

2. Any allegation that the Board has violated a right conferred upon an employee or a duty upon the Board by any administrative agency, court decision or the Laws of the State of New Jersey or the United States of America, where a method of review is available under the rules and regulations of said administrative agency or under or through a quasi-judicial or judicial body by virtue of a court decision or the Laws of the State of New Jersey or the United States of America.

3. Any alleged violation of an employee's rights where the relief demanded by the employee is the payment of money damages for alleged wrongful discharge or the reinstatement of employment.

F. Miscellaneous as to All Unit Members

1. **Group Grievance**

   If, in the judgment of the Association, a grievance affects a group or class of employees, the Association may submit such grievance in writing to the Superintendent or his/her designee directly and the processing of such grievance shall be commenced at Level Three.

2. **Written Decisions**

   Decisions rendered at Levels Two, Three and Four shall be in writing, setting forth the decision and the reasons therefore and shall be transmitted promptly to all parties in interest and to the Association.

3. **Reprisals**

   No reprisals of any kind shall be taken by the Board or by any member of the administration against any party in interest, any representative, any member of the Association, or by any participant in the grievance procedure by reason of such participation.

**Article 1.5**

**EMPLOYEE RIGHTS AS TO ALL EMPLOYEES**

A. Pursuant to Chapter 123, Public Laws 1974, the Board hereby agrees that every employee of the Board shall have the right freely to organize, join and support the Association and its affiliates for the purpose of engaging in collective negotiations and other concerted activities for mutual aid and protection. As a duly selected body exercising governmental power under color of law of the State of New Jersey, the Board undertakes and agrees that it shall not directly or indirectly discourage or deprive or coerce any employee in the enjoyment of any rights conferred by Chapter 123, Public Laws 1974, or other laws of New Jersey or the Constitutions of New Jersey and the United States; that is, it shall not discriminate against any employee with respect to hours, wages, or any terms or conditions of employment by reason of membership in the Association and its affiliates, participation in any activities of the Association and its affiliates, collective negotiations with the Board, or institution of any
grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

B. No employee shall be disciplined, reduced in rank or compensation, or deprived of any professional advantage without just cause. Any such action asserted by the Board, or any agent or representative thereof, shall be subject to the grievance procedure and the limitations as set forth in Article 1.4, paragraph A.

C. 1. Whenever any employee is required to or given the opportunity to appear before the Superintendent, Board, or any committee or member thereof, concerning any matter which could result in the termination of employment of that employee, then said employee and the Association shall be given prior written notice of the reasons for such meeting or interview.

2. The Association shall have the right to be present to protect the interests, not only of the individual involved, but also of the organization as the bargaining representative exclusively recognized.

3. Suspension, if any, shall be with pay until there has been a formal determination made by the Board of Education.

D. As to Certified Staff only:

No student’s grade or evaluation shall be changed without written notification to the teacher.

F. Whenever any employee is mandated to attend a meeting, conference or discussion with building level administration, which may result in action or recommendation inimical to employment, then the employee shall have the right of Association representation. Any provisions of this Agreement concerning employee hours shall not apply to said conferences. The administrator in attendance at the conference shall have the right to have another administrator or person of his/her choice present. This section shall not apply to evaluation conferences held pursuant to Article 2.3 Subsection F, hereof.

For example, an employee hired on November 1, 2013, shall receive a raise on July 1, 2014, but an employee hired on May 1, 2014, shall remain on the previous salary until July 1, 2015.

   4. A bonus of $100.00 shall be paid in a lump sum upon the execution of an employment contract for the 10th year of employment and for the 15th year of employment.

Longevity shall begin on the July 1st following the completion of ten (10) or more consecutive years of service to the District.

2. The employee may elect to receive compensatory time in lieu of payment under the following terms:
   a. Compensatory time off may only be earned by working a full shift (8 hours) or a half shift (4 hours) of overtime.
   b. Compensatory overtime may only be used when the employee has earned three (3) days off under the terms of f. below.

d. Compensatory time off may only be used on days when school is not in session.

e. Eight (8) hours of overtime equals twelve (12) hours of compensatory time off.

f. The maximum number of compensatory time off days which an employee may earn in a year is three (3). In order to earn three (3) days, the employee must work 16 hours of overtime consistent with a. above. Sixteen (16) hours of overtime worked equals three (3) days of compensatory time off.

g. Any compensatory time earned but not taken by the close of business on June 30 shall be compensated in payment by the District in July.

3. Effective July 1, 1995, for employees who are not scheduled to work a Tuesday through Saturday work week pursuant to Article 6.1, D., all hours worked on a Saturday shall be-paid for at a rate of time and one-half (1 1/2) of the employee's basic hourly rate, except that for purposes of overtime scheduling an employee who has not worked 40 hours in a given week, for reasons other than sickness or any other excused time covered by any article contained in this Agreement, Sunday, 12:01 a.m. to the end of his shift on Friday of that week shall not qualify for overtime seniority rotation.

4. 5. Payment for all overtime worked shall be paid for not later than the close of the next following pay period.

H. Overtime Rotation

1. An overtime rotation schedule will be established for each school, department or area in the district for those employees who volunteer for overtime. The order for each list shall initially be established with the most senior volunteer being first to the least senior being last. As overtime work is available, the Board shall choose from the volunteer overtime list the first available employee who is qualified in the order of rotation. Any employee on this list who refuses an overtime assignment shall be moved to the bottom of the list. In the event an employee accepts an overtime assignment and fails to report for the same without calling in to his supervisor to advise of such absence shall be ineligible for overtime for two (2) rotations.

2. The Board shall also establish a list of all employees in each school, department or area in order of seniority with the most senior employee first to the least senior employee being last. In the event the Board is unable to secure an employee from
the voluntary overtime list in paragraph "E. 1." above, it shall assign said overtime to
the least senior qualified employee on the seniority list in order of rotation.

I. Call-In

1. When an employee is called into work during his non-working hours, without advance
notification, this shall constitute a CALL-IN.

2. When an employee is notified during his working hours to report to work during his
non-working hours, or when an employee is scheduled in advance to work an
assignment outside of his normal tour of duty, this shall not be considered a CALL-IN,
but an overtime assignment.

3. An employee called in to work shall be paid a minimum of two (2) hours' pay at his
normal rate of pay, the overtime and premium rates where applicable.

4. If an employee is notified that he/she must come in to work before his/her normal
reporting time and that notification is made after 10 p.m., the employee shall be paid
one (1) additional hour's pay at time and one half.

J. On-Call
The undersigned agree to the following effective December 1, 2014:

1. It is deemed necessary that the Maintenance Staff employed by the Board and
covered by the Agreement between the Association and the Board are needed to be
“on call” to respond to after school hours’ emergencies that arise. To that end:

    a. The District will provide a beeper or calling device with a dedicated number to
       be used to contact the employee.

    b. A list will be established of the District employed Maintenance Staff. This list
       will signify the order in which each staff member will be “on call” for a week, a
       7-day period.

    c. Should an employee not be able to fulfill his week, it is his responsibility to find
       a replacement and notify the supervisor of the change.

    d. When called, the employee will either go to the school where there is a
       problem or to the District Maintenance Yard for a truck.

    e. Employees will be paid the amount of $100.00 for each week (7-day period)
       that they are “on call”

K. Employee’s paychecks shall be placed in an envelope before delivery to them.

A. **Personal Illness**

1. An employee shall be allowed twelve (12) days' absence in any contract year for personal illness, without deduction of pay.
The number of unused days in any year shall be accumulated from year to year, as long as the employee's employment with the Board is continuous. However, in the case of a prolonged sick leave extending into a new school year, an employee shall not be credited with the twelve (12) days for the new year until active duty actually begins, except as provided in Paragraph 3 hereof.

2. Termination of employment shall result in immediate cancellation of accumulated sick leave. Subsequent re-employment shall not reinstate any old sick leave accumulation, and the person re-employed shall begin anew his personal illness benefits. In a return from a reduction-in-force, the employee's previously accumulated sick leave shall be restored.

3. The purpose of personal illness benefits is to provide relief in case of personal sickness, personal accident and quarantine. Any other use of sickness allowance shall be in violation of contract, provided, however, extension of sick leave for employees covered by this agreement may be made at the discretion of the Board of Education.

4. N.J.S.A. 18A:30-4. In case of sick leave claimed, a board of education may require a physician's certificate to be filed with the secretary of the board of education in order to obtain sick leave.

5. Each employee who meets the qualifications enumerated below and is absent because of personal illness, may be paid, upon application to the Board, up to an additional two (2) weeks' salary at half pay. The qualifications for said payment are as follows:

a. Employee must have exhausted all current and accumulated sick leave.

b. The benefit shall be a yearly benefit, shall be non-accumulative and shall be effective as of the anniversary date of the fifth year of employment.

c. There shall be a qualification period of five (5) consecutive work days of sickness for which period no payment shall be made, provided however, that regular accumulated sick leave days (for which payment shall be made) may be utilized in establishing said qualification period.

d. The physician's certification required by Paragraph 4 above shall be filed with the Administration.

6. Employees who are absent due to personal illness shall call their immediate supervisor or his designee within one (1) hour before they are scheduled to begin work and advise him of the illness and expected date of return. No further communication from the employee is required unless he cannot return to work on the date given, in which case the employee shall notify his immediate supervisor of the new expected date of return.

B. Jury Duty and Court Appearance

1. Any employee who is required by law to serve on a jury in a court of record, upon satisfactory proof to the Board of such service rendered, shall be reimbursed by the Board for and during the time he is required to be in attendance in court in an amount equal to the difference between his regular pay and his jury pay.
2. When an employee is called for jury service, he shall be excused from work on the
days when he is required to be in court, provided, however, that if the time required for
jury service in any one day does not extend beyond 12:00 o'clock noon, the employee
will be required to report for work for the remainder of the day.

3. An employee shall be granted a paid leave of absence for appearances in any legal
proceeding connected with the employee's employment with the school system except
in cases where the employee is a plaintiff or defendant. In addition, any other court
appearance by an employee may be approved by the Superintendent. This is limited to
one (1) day per year. The decision of the Superintendent in this regard is not subject to
arbitration under this Agreement.

4. Each employee requiring time off for jury duty or court appearance shall notify his
immediate superior as soon as possible of the day or days involved.

C. Personal Business

An employee shall be granted two (2) days' leave with pay in any contract year to attend to
personal business.

Requests for such absence must be filed five (5) days in advance with the immediate
supervisor or his designee, and on a form prescribed by the Board, except in the case of
medical emergency as orally approved by the Building Principal.

D. Association Conferences and Conventions

The Board agrees to allocate a number of working days not to exceed ten percent (10%) of
the number of members in the unit plus four (4) days with pay per school fiscal year in
aggregate, to delegates chosen by the Association to attend bona fide Association
conferences and conventions. Any employee for whom the Association makes such a
request must present to the Board one week in advance of the conference or convention a
written request for time off, specifying the dates for each occasion such employee is
required to be absent. Such request will be honored unless conditions at work at the time
are such that the employee's services cannot be spared. In such case an alternate
representative may be designated by the Association.

It is agreed that in the calculation of the term "members in the unit" above, Cleaners and
Cleaning Leads shall not be included in the calculation for the purposes of this section.
However, Cleaners or Cleaning Leads shall be entitled to use days from those in the above
paragraph if so designated by the Association.

Article 6.5
EXTENDED LEAVES OF ABSENCE AS TO FACILITIES STAFF ONLY

A. Maternity Leave

Maternity leave, without pay, shall be granted to an employee in accordance with the
following conditions and procedures:
1. Any employee seeking a leave of absence for reasons associated with pregnancy
shall file a written request for such leave with the Superintendent or his designee at
least sixty (60) days in advance of the date on which said leave is to commence, which request shall likewise specify therein the date on which said employee proposes to return. The Board shall honor the leave dates so requested; provided, however, an employee may apply for early reinstatement by filing a written request therefore with the Superintendent or his designee. Said request for early reinstatement is subject to Board approval.

2. The Board may require as a condition of an employee's return to service, production of a certificate from a physician certifying that the employee is medically able to resume her duties.

3. In no event shall any such leave be granted beyond the end of the contract year in which leave is requested to commence.

4. In the event there is any question concerning her ability to continue to perform her duties the Board may require a medical certification from her physician that she is medically able to perform her duties. The Board shall have the right to have the employee examined by a physician designated by the Board. If there is a difference of medical opinion between employee's physician and the Board's physician, a third physician designated by mutual agreement of the employee and the Board, or if no such agreement can be reached, by the Camden County Medical Society, shall be dispositive of the issue. If it becomes necessary to seek the opinion of a third physician, his fee shall be shared equally by the Board and the employee involved.

B. Leave for Cause

1. An employee shall be granted a leave of absence without pay for good and sufficient personal reasons for a period not to exceed three (3) months. The employee must give written notice of his/her intention to return to work at least 20 days before the proposed date of return. During this leave, seniority shall accumulate. If the employee overstays his leave of absence or accepts employment elsewhere during such leave of absence, without the Board's permission, his employment with the Board shall be terminated.

2. Except in emergencies, reasonable notice shall mean notice given prior to the first Monday of the month preceding the month in which the leave is to commence.

Article 6.6

MISCELLANEOUS PROVISIONS AS TO FACILITIES STAFF ONLY

A. Seniority of Facilities Staff employees

1. Seniority for the purpose of this Article shall be based upon an employee's continuous length of service with the Board.

2. All employees shall be considered as probationary employees for the first sixty (60) days of their employment. Probationary employees may be disciplined or terminated at any time during their probationary period at the sole discretion of the Board, without recourse to the provisions of the grievance procedure of this Agreement.
Upon completion of such probationary period, their seniority will be dated as of the date of commencement of their employment.

3. Employees who obtain new positions in the bargaining unit due to promotion or requested transfer will have a 60-day probationary period. If during this period, or at its conclusion, the Board, through its administration, and in its sole discretion, determines to transfer the employee back to the last prior position, it may do so without employee or Association recourse to the grievance procedure.

4. If the employee gives notice, during the probationary period in 1. above, that he/she wishes to move back into the job title previously held, he/she shall be moved back to that title as soon as administratively possible.

5. The Association and the employee shall be notified of the completion of the probationary period.

6. In the event that two (2) employees commence their employment on the same date, their respective seniority shall be determined by a lottery.

7. The Board shall maintain a seniority list of employees, copies of which shall be furnished to the Union upon request but not more than three (3) times in a contract year.

8. An employee's seniority shall cease and his/her employee status shall terminate for any of the following reasons:

   a. Resignation or retirement

   b. Discharge for cause

   c. In the event of a lay-off, an employee's employment status shall cease immediately upon lay-off, however, seniority shall not be lost except in case of continuous lay-off for a period exceeding twelve (12) months.

   d. Failure of laid-off employees to report for work either, (1) on the date specified in written notice of recall mailed 14 or more calendar days prior to such date; or (2) within three (3) working days after date specified in written notice of recall mailed less than 14 calendar days prior to such date, unless the employee has a justifiable excuse for his failure to return to work as provided herein. The Board shall give careful consideration to an employee's reasons, which may have caused a delay in his return to work. Written notice of recall to work shall be sent by the Board by certified mail, return receipt requested, to the employee's last known address, as shown on the Board's personnel records.

   e. Failure to report to work for a period of three (3) consecutive scheduled working days without notification to the Board of a justifiable excuse for such absence.
f. Failure to report back to work immediately upon expiration of vacation leave of absence or any renewal thereof, unless return to work is excused by the Board.

B. When circumstances necessitate a reduction of the work force, the Board shall take the following appropriate steps:

1. The Board shall advise the Association in advance of the number of employees to be affected and the job titles and grade levels of the affected employees.

2. The Board shall first consider for lay-off the employees with the least seniority in the job titles and grade levels affected.

3. Employees considered for lay-off shall first be considered for filling any existing vacancy in another job title of the same grade level provided they have the requisite qualifications and the ability to perform the work. If no vacancy exists in the same grade level, the employee may displace, in his same grade level, an employee with less seniority in the job title that the displacing employee has the requisite qualifications and ability to perform the work and likewise in successively lower grades. An employee placed in a lower grade shall be paid according to the salary guide for the grade level and job title actually worked. An employee not placed under these provisions shall be laid off. These provisions shall also apply to a displaced employee.

C. Employees may be recalled to work from lay-off provided that they have the requisite qualifications and ability to perform the available work.

D. A permanent job opening in the bargaining unit shall be posted on appropriate bulletin boards for a period of five (5) consecutive work days. Permanent employees may apply for such job openings. However, probationary employees are ineligible to apply for permanent job openings.

E. In filling permanent promotional job vacancies within the bargaining unit, the Board will first attempt to fill such vacancies by promoting an employee from the next lower rated job title who had bid for the opening and who has, in the Board's sole discretion, the requisite qualifications and ability to perform the work. Where, in the Board's sole discretion, two (2) or more employees possess equal qualifications and ability to perform the work, the employee with the greatest seniority in the bargaining unit who had bid for the job will be given preference.

F. Lateral Vacancies

1. When a lateral job vacancy occurs, employees in that category who desire to transfer to another school and who have filed a written request for such transfer with the Board shall be considered for transfer by the Board. If such a request is to be granted, it will be granted on the basis of the most senior employee being given preference. Once such transfer has been granted or a transfer offered and refused, the employee applying therefore or refusing shall be ineligible for further transfer for a
period of two months. Nothing herein shall be construed to limit the right of the Board to transfer employees as the needs of the school system require.

2. All filling of vacancies in grade titles shall be by seniority except for the following positions that are generic in nature. An individual wishing to transfer must demonstrate the skill to perform the job to which he wishes to transfer. Example: plumber to plumber by seniority; plumber to electrician by demonstrated skill.

   a. Maintenance Person (Grade III or IV)
   b. Grounds Crew Leader/Athletic
   c. Ground Crew Leader

3. Effective July 1, 1995, existing language and practice which would restrict transfer of employees possessing a Black Seal license is removed. In the case of Black Seal transfers the Administration will designate buildings and shifts where it intends to appoint a Black Seal employee; the Board will seek volunteers for the building/shift from the pool of employees who possess a Black Seal license but are not currently assigned to a situation where it is used; if one employee volunteers, the volunteer will be appointed to the building/shift; if more than one employee volunteers, assignment will be made by seniority; if there is no volunteer for a building/shift, the Board may assign in reverse order of seniority. Those employees displaced by transfer of Black Seal employees shall apply for any vacancy within their grade level and will be appointed in order of seniority.

It is recognized that Cleaners used as "floaters" who possess a Black Seal license and who are assigned on a temporary basis to a building to replace an absent cleaner are not considered to have been "transferred" within the meaning of the above.

Employees in the titles of Grounds Crew Leader, Grounds Keeper, Electrical Lead, and HVAC Lead and HVAC-R Controls Lead are now required to possess and maintain a Black Seal license. Employees in these titles employed on or before March 1, 2013, will be required to obtain such a license by June 30, 2015. Employees in these titles hired after March 1, 2013, shall have two years from the date of hire to obtain such a license.

Employees in the following titles have been required to possess and maintain a Black Seal license: Elementary Head Custodian, Maintenance Person, Cleaning Leads – Elementary School, Cleaning Leads - Middle School, and Cleaning Lead – High School.

G. It is recognized that seniority is only one criteria to be considered by the Board. The Board retains all authority and discretion allowed by law with respect to reductions in force, recall from lay-offs, transfers and promotion of employees.

H. Work Assignment

1. All work shall be assigned to employees by the Director of Operations and Facilities Management or his designee. The Association recognizes that the school principal is
individually responsible for the operation of the school. In the case of emergency or when immediate action is required, employees may be given work assignments by any superior within the employee’s job jurisdiction.

2. Employees who utilize their own motor vehicles on official school business shall be reimbursed at the rate established from time to time by Board policy provided they submit a proper voucher and subject to the approval of the Supervisor of Buildings and Grounds.

I. Non-renewal of Employment

1. An employee who has received a notice of non-renewal of employment may, within five (5) calendar days thereafter, request in writing a statement of reasons for such non-renewal from the School Business Administrator which shall be given to the employee within ten (10) days after receipt of such request.

2. Said employee may request in writing an informal appearance before the Board provided a written request for same has been received in the office of the Secretary of the Board within five (5) days after receipt by the employee of the statement of reasons.

3. The appearance before the Board shall not be an adversary proceeding but shall be for the purpose of convincing the Board to offer re-employment.

4. The Board shall exercise its discretion in determining a reasonable length of time for the proceeding.

5. The Board shall provide adequate written notice to the employee of the date, time and place of the informal appearance.

6. The employee may be represented by counsel or one individual of his choosing.

7. Within three (3) days following the informal appearance, the Board shall notify the affected employee in writing of its final determination.

J. Uniforms and Tools

1. Upon the completion of one (1) year of service: the system in place for the provision and cleaning of uniforms for unit members at the beginning of the 2004-2005 year shall remain in place. Effective July 1, 2013, the District will provide all unit members with five (5) tee shirts. A new employee employed after that date shall receive five (5) tee shirts within a reasonable time after their initial employment. Worn out and damaged tee shirts shall be replaced.

2. Replacement uniforms shall be made available to employees upon requisition by employees and return of clean, used uniforms recognized by the Director of Facilities Management as unfit for further use. Employees shall sign for all uniforms, tools and keys and shall be responsible for the same and for any other property of the school district. Upon termination of employment with the district for any reason, all tools,

BOARD OF EDUCATION OF THE TOWNSHIP OF CHERRY HILL

By Laurie Neary, President

Date: 4/16/2021

CHERRY HILL EDUCATION ASSOCIATION

By Steven Redfearn, President

Date: 4/15/2021
SECTION EIGHT – APPENDIXES

APPENDIX 1
SIDEBAR AGREEMENTS AS TO CERTIFIED STAFF ONLY

1. On a non-contractual basis, the Board will continue its policy of giving consideration to the promotion of Certified Staff in its employ to administrative positions. This is not to be construed as a waiver by the Board of its management functions nor as a commitment that it will not hire administrative personnel from the outside should it determine that the best interests of the district require such action.

2. The Board shall allocate annually to each elementary school the sum of $100, to each middle school the sum of $300, and to each high school the sum of $500, to be used for a professional library.

3. Following a medical leave of absence or a child rearing leave, it is anticipated that the employee will return to employment in his/her original position if feasible, or be assigned to a position within the scope of the employee’s certification. Nothing in the foregoing shall deprive the Board or the employee of rights granted under law.

APPENDIX 2
ADDENDUM TO SCHEDULE

The parties agree that upon the expiration of the 2020-21 Collective Negotiations Agreement, employees shall not advance on the Salary Guide or otherwise receive an increment, until the parties ratify a successor Agreement.

APPENDIX 3
INCENTIVE PLAN CONCEPTS

As long as the District is covered by SEHBP for health/hospitalization and prescription insurance, the following language is not applicable to those coverages.

1. Which employees are eligible for this incentive?

   Employees who are eligible to receive any enrollment level above single for any of the insurances under Article 1.12, C., D. or E.

2. Is the Incentive Plan voluntary?

   Yes. No employee must participate if she or he chooses not to do so

3. What is the purpose of the Plan?

   The purpose of the plan is to encourage eligible employees to waive unnecessary duplicate family coverage.

4. What is the "Incentive" portion of the Plan?
Employees who are eligible for any enrollment and who waive all coverage for any of the three types of insurance for a full calendar year shall receive the percentage set forth in Article 1.12 J.

5. May an employee waive only one type of insurance and not others?
   Yes.

6. May an employee who has no other health/hospitalization coverage waive the health/hospitalization coverage?
   No. Such a waiver will not be allowed. An employee waiving coverage under C. (health/hospitalization) must provide proof of alternative coverage or the waiver will not be allowed.

7. May an employee who has no other dental or prescription coverage waive any or all of those coverages?
   Yes.

8. If an employee waives coverage, may he/she re-enroll?
   Yes, but only at the open enrollment periods, subject to carrier rules. The only exception is that if a spouse's health/hospitalization coverage (Article 1.12 C.) is terminated during an insurance year, the employee may re-enroll immediately in the District's plan. If such re-enrollment occurs during the insurance year, no incentive payment will be made to the employee for that year.

9. What happens to the waiver payment if the employee re-enrolls on other than after enrollment period?
   No incentive payment will be made for that insurance for that year.

10. If an employee waives coverage for an entire year, may he/she re-enter the plans on the next open enrollment date?
    Yes.

11. When do employees receive their incentive payment?
    The payment shall be made upon the close of the calendar year in which the waiver occurs.

12. How does an employee sign up for this Plan?
    Each potentially eligible employee will receive a form from the administration. It will contain a final return date and waiver of coverage, and will specify the incentive payment which will be received.

13. Are there any other matters which the parties must attend to with respect to this issue?
    Yes. In order, to protect all employees from Federal and State taxation of existing benefits if this plan is in effect, the District is setting up a Section 125 account. Note that employees who receive such a waiver incentive are subject to normal Federal and State withholding on such payment.
