The Road Forward Updates

Dr. Morton

February 22, 2022
The District is committed to the following:

- The health & safety of students and staff members.
- Regularly scheduled school days for all students.
- Breakfast and Lunch being available and scheduled for students.
- Working in partnership with the New Jersey Department of Education, New Jersey Department of Health, and the Camden County Department of Health to remain informed about the status of community health.
- Communicating information transparently with the students, families, staff members, and community.
COVID-19 Activity Level Index (CALI)

1. Low

2. Moderate

3. High

4. Very High
Governor Murphy Lifts Mask Mandate

The universal statewide mask mandate for schools and childcare settings will be lifted effective Monday, March 7th.
The Road Forward Committee recommends that mask requirements in Cherry Hill Public Schools (grades K-12) to be based upon the COVID-19 Activity Level Index (CALI) score as reflected below.

<table>
<thead>
<tr>
<th>CALI Report Level</th>
<th>Masking Requirement</th>
</tr>
</thead>
<tbody>
<tr>
<td>Green (Low Risk)</td>
<td>Optional</td>
</tr>
<tr>
<td>Yellow (Moderate Risk)</td>
<td>Optional</td>
</tr>
<tr>
<td>Orange (High Risk)</td>
<td>Optional</td>
</tr>
<tr>
<td><strong>Red (Very High Risk)</strong></td>
<td><strong>Required</strong></td>
</tr>
</tbody>
</table>

Please note that a federal mandate still requires all students, bus drivers and staff riding on school buses to be masked at all times during their time on the bus.

Masking may be required during field trips as per the venue’s policies.
