Welcome to Cherry Hill Public Schools

Information and requirements for registering new students to our district are as follows:

1. **Pre-Registration:**
   Begin Pre-Registration online at Cherry Hill Public Schools web-site www.chclc.org. Once you’re on the web-site, go to Departments, then Registration. Follow just Step 2 of the registration process. All additional forms are included in this packet. Please see below for Required documentation needed to complete registration.

2. **Parent/Guardian ID:**
   Preferred Identification: Photo ID issued by a government, public body or authority (Ex., driver’s license, military ID or passport), Employee ID or other appropriate form of identification. Other forms of identification are acceptable but may delay the registration process. We make our determination on eligibility to register upon the totality of information and documentation offered by the applicant.

3. **Parent/Guardian Proofs of Residency:**
   In accordance with New Jersey Administrative Code 6A:28-2.5 **Proof of eligibility:**
   A district board of education representative shall accept the following forms of current documentation from persons attempting to demonstrate a student’s eligibility for enrollment in the Cherry Hill School District. **The documents must be originals that have been mailed to your address.**

   - **If you own a house any TWO forms will be accepted**
     Property tax bill, mortgage statement, current utility bills (i.e., PSE&G, water, sewer, cell phone, cable), financial account information, employment documentation, or any other business record or document issued by a government entity (dated within the two months before registration).

   - **If you rent you must have your Current Signed Lease (original) including student(s) name(s), PLUS ONE current utility bill, (i.e. PSE&G, telephone, cell phone, cable), financial account information, employment documentation, or any other business record or document issued by a state or local government entity (dated within the two months before registration).

   - **If you live with someone who owns a house in Cherry Hill:**
     Please call the registration office for a Landlord Affidavit prior to calling for an appointment. Owner and tenant must each provide two proofs of residency (dated within the two months before registration) and sign the affidavit in the presence of a Notary.

4. **Student(s):**
   - **An Original** Birth Certificate or Passport. (If you do not have either of these, please contact the School District’s Registration Department for further information)
   - Evidence of completion of Required Immunizations
   - Evidence of a recent Physical Examination - Must be submitted within 30 days of registration
Dear Parent/Guardian:

The Cherry Hill Board of Education has policies and procedures related to "Proof of Domicile" for students who attend our schools. The District shall only provide a free education to those students who are domiciled within the District or who otherwise qualify for a free education pursuant to the statutory and regulatory guidelines set forth in N.J.S.A. 18A:38-1 et seq. and N.J.A.C. 6A:22-1.1 et seq. A student shall be domiciled in the District “when he or she is living with a parent or legal guardian whose permanent home is located within the District.” N.J.A.C. 6A:22-3.1. The home is permanent if “the parent or guardian intends to return to it when absent and has no present intent of moving from it….” Id. If the District discovers that a student is attending school whose parents are not domiciled within the District and who is not otherwise eligible for a free education, the District may apply for the student's removal and seek tuition reimbursement for the period of ineligible attendance in accordance with the provisions of N.J.S.A.18A:38-1(b) (2).

Applicants who fraudulently allow a child of another to use his residence, or who fraudulently claim to have custody of a child, may be charged with a disorderly persons offense. N.J.S.A. 18A:38-1 (c). If the applicant is convicted of such an offense, the applicant may be fined up to $1,000.00 and/or be imprisoned for up to 6 months.

Any false statements, answers or declarations contained in the Affidavit or in an application for admission may subject the applicant to criminal prosecution for the crime of false swearing, in violation of N.J.S.A. 2C:43-3. If convicted for such a crime, the applicant may be punished by a fine of $10,000.00 and/or be imprisoned for up to 18 months.

I, the undersigned, hereby acknowledge that I have read and understood the contents of this notification.

IMMUNIZATION REQUIREMENTS

ALL REQUIRED IMMUNIZATIONS MUST APPEAR ON A RECORD SIGNED BY A PHYSICIAN FOR REGISTRATION TO BE CONSIDERED COMPLETED.

Effective participation in control measures will help to prevent the spread of communicable diseases among our school children and in the community. Coordinated efforts between the school and health department exist to protect and improve the health of young people. Mandatory measures have been developed by the health department to help maintain a high degree of protection against communicable disease. In accordance with New Jersey State Sanitary Code Chapter 14 Regulations, pupils are required to show evidence of the following immunizations prior to entering school:

**Varicella Vaccine (Chicken Pox)**

The Department of Health and Senior Services has initiated the administrative rulemaking process to require receipt of varicella vaccine on or after the first birthday or proof of immunity for children 19 months of age and older attending child care centers and those children entering Kindergarten who are born on or after January 1, 1998.

**Diphtheria, Tetanus, and Pertussis**

Every pupil shall have received a minimum of four doses of DTP, with one dose given on or after the fourth birthday or have received five or more doses of DTP. Pediatric DT shall be accepted in lieu of DTP for pupils under age 7 with a written statement from a physician indicating medical contraindication to pertussis. Adult Td is acceptable for pupils 7 years of age or older who have not completed the DTP requirement. Any appropriately spaced combination of three doses of Td or a Combination of DTP, DTaP, and Td to equal three doses in pupils over age seven is acceptable.

**Polio Virus Vaccine**

Every pupil shall have received at least three doses of IPV or OPV, one dose given on or after the fourth birthday or any four doses. For pupils 7 years of age or older, 3 doses of IPV or OPV is acceptable.

**Measles Vaccine (Rubella)**

Every pupil born on or after 1/1/1990 shall have received two doses of measles containing vaccine administered on or after their first birthday or document laboratory evidence of immunity. For pupils 7 years of age or older, 1 dose if born before 1/1/90 and 2 doses if born on or after 1/1/90. Pupils receiving the measles vaccine before their first birthday require reimmunization. Laboratory evidence of immunity is also acceptable. Intervals between the 1st and 2nd Measles / MR / MMR doses cannot be less than one month.
IMMUNIZATION REQUIREMENTS (Continued)

Mumps Vaccine

Every pupil shall have received one dose of mumps vaccine, or any vaccine combination containing mumps vaccine administered on or after the first birthday. Pupils with a history of mumps disease shall not be required to receive mumps vaccine, provided they present written certification from the diagnosing physician or documented laboratory evidence of the mumps immunity.

Rubella Vaccine

Every pupil shall have received one dose of rubella virus vaccine, or any vaccine combination containing rubella virus vaccine administered on or after the first birthday or laboratory evidence of immunity.

Hepatitis – B Vaccine

Every pupil entering Kindergarten/Grade 1 on or after September 2001 shall have received the three dose hepatitis B series. Pupils entering Grade 6 on or after September 2001 shall have received the three dose hepatitis B series or a two dose hepatitis B vaccine series. This two-dose regimen only applies to pupils between 11-15 years of age who start and complete the hepatitis B vaccine series with one specific vaccine product known as Recombivax HB 1.0ml by Merck. The Department has also initiated rulemaking to implement the hepatitis B vaccine requirement for pupils in Grades 9-12 passed by the New Jersey Legislature and signed into law on August 3, 2002. School health and administration officials are urged during this school year to advise the parents of those affected unvaccinated children of these actions and that the final rules will be enforced beginning September 1, 2004.

Exemptions

The only pupils who may be exempted from immunization requirements are:

1. Pupils with a written statement from a physician that a specific immunization is medically contraindicated for a period of time specified and reasons for medical contraindication.

2. A written statement signed by parent or guardian explaining how the administration of immunizing agents conflicts with the pupil’s exercise of bonafide religious tenets or practices. General philosophical or moral objection to immunization shall not be sufficient for exemption.

3. A valid health care provider notice with the date of a pending appointment to complete required immunizations.
## SECTION I - TO BE COMPLETED BY PARENT(S)

I have examined the above student and reviewed his/her health history. It is my opinion that he/she is medically cleared to participate fully in all child care/school activities, including physical education and competitive contact sports, unless noted above.

Name of Health Care Provider (Print)        Health Care Provider Stamp:

Signature/Date

CH-14 JUL 12 Distribution: Original-Child Care Provider Copy-Parent/Guardian Copy-Health Care Provider
Instructions for Completing the Universal Child Health Record (CH-14)

Section 1 - Parent

Please have the parent/guardian complete the top section and sign the consent for the child care provider/school nurse to discuss any information on this form with the health care provider.

The WIC box needs to be checked only if this form is being sent to the WIC office. WIC is a supplemental nutrition program for Women, Infants and Children that provides nutritious foods, nutrition counseling, health care referrals and breast feeding support to income eligible families. For more information about WIC in your area call 1-800-328-3838.

Section 2 - Health Care Provider

1. Please enter the date of the physical exam that is being used to complete the form. Note significant abnormalities especially if the child needs treatment for that abnormality (e.g. creams for eczema; asthma medications for wheezing etc.)
   - Weight - Please note pounds vs. kilograms. If the form is being used for WIC, the weight must have been taken within the last 30 days.
   - Height - Please note inches vs. centimeters. If the form is being used for WIC, the height must have been taken within the last 30 days.
   - Head Circumference - Only enter if the child is less than 2 years.
   - Blood Pressure - Only enter if the child is 3 years or older.

2. Immunization - A copy of an immunization record may be copied and attached. If you need a blank form on which to enter the immunization dates, you can request a supply of Personal Immunization Record (IMM-9) cards from the New Jersey Department of Health, Vaccine Preventable Diseases Program at 609-826-4860.
   - The Immunization record must be attached for the form to be valid.
   - “Date next immunization is due” is optional but helps child care providers to assure that children in their care are up-to-date with immunizations.

3. Medical Conditions - Please list any ongoing medical conditions that might impact the child's health and well being in the child care or school setting.
   - Note any significant medical conditions or major surgical history. If the child has a complex medical condition, a special care plan should be completed and attached for any of the medical issue blocks that follow. A generic care plan (CH-15) can be downloaded at www.nj.gov/health/forms/ch-15.dot or pdf. Hard copies of the CH-15 can be requested from the Division of Family Health Services at 609-292-5666.
   - Medications - List any ongoing medications. Include any medications given at home if they might impact the child's health while in child care (seizure, cardiac or asthma medications, etc.). Short-term medications such as antibiotics do not need to be listed on this form. Long-term antibiotics such as antibiotics for urinary tract infections or sickle cell prophylaxis should be included.
   - PRN Medications are medications given only as needed and should have guidelines as to specific factors that should trigger medication administration.

4. Screening - This section is required for school, WIC, Head Start, child care settings, and some other programs. This section can provide valuable data for public health personnel to track children's health. Please enter the date that the test was performed. Note if the test was abnormal or place an "N" if it was normal.
   - For lead screening state if the blood sample was capillary or venous and the value of the test performed.
   - For PPD enter millimeters of induration, and the date listed should be the date read. If a chest x-ray was done, record results.
   - Severe allergic reactions to animals or foods (wheezing etc.) should be noted. Pediatric asthma action plans can be obtained from The Pediatric Asthma Coalition of New Jersey at www.pacnj.org or by phone at 908-687-9340.
   - For PPD enter millimeters of induration, and the date listed should be the date read. If a chest x-ray was done, record results.
   - Scoliosis screenings are done biennially in the public schools beginning at age 10.

This form may be used for clearance for sports or physical education. As such, please check the box above the signature line and make any appropriate notations in the Limitation to Physical Activities block.

5. Please sign and date the form with the date the form was completed (note the date of the exam, if different)
   - Print the health care provider's name.
   - Stamp with health care site's name, address and phone number.
