Dear SACC Families,

We are aware many families have questions regarding SACC refunds as a result of the state mandated remote learning being extended for the remainder of the year.

The District is working on the refunding process. Refunds will be calculated based upon a daily tuition rate of a 181 day school year less the number of days in session.

The SACC office is in the process of developing the refunds. Refunds will be sent to the person on file who paid the tuition.

We thank you for your patience in this matter, our goal is to have refunds sent out as soon as we can. If you have any questions or concerns about where the refunds will be sent, please do not hesitate to contact me at [mconklin@chclc.org](mailto:mconklin@chclc.org).

*Thank you,*

Melissa Conklin
