The Cherry Hill Board of Education commits itself to all children by creating an internationally benchmarked school district in which all students receive a preeminent education (see Board of Education Vision Statement attached). Subscribing to the belief that all children can learn to the same high standards, the Board acknowledges the different learning styles, abilities, experiences and needs of its students, and accordingly mandates the following:

STANDARDS

1. Standards of proficiency as contained in the Board approved “Cherry Hill Standards and Benchmarks”, shall form the basis for the district’s curriculum and evaluation system. The New Jersey Core Content standards are included in the Cherry Hill Standards and Benchmarks.

2. Students shall be given opportunities to succeed in meeting or exceeding the Cherry Hill Standards, factoring in the reality that some students may require more time in order to be successful. Students will be afforded the opportunity to spend additional time on tasks in order to achieve at the levels prescribed by Cherry Hill Standards.

INSTRUCTION

1. All instructional planning and delivery shall be developed from the Cherry Hill Standards, and lesson plans/unit designs shall include accommodations for different learning styles to meet the needs of all students.

2. At the beginning of each course taught at the secondary level, students and parents/guardians will be given, in writing, a syllabus which includes:
   i. A list of standards and benchmarks to be met or exceeded
   ii. An explanation of the various ways in which students are to be evaluated
   iii. Student expectations in terms of assignments, skills to be demonstrated, required resources
   iv. The teacher’s grading system

   Similar information, as is age-appropriate will be provided at the elementary level.

ASSESSMENT

1. Multiple indicators of success shall be used to measure all types of student achievement.

2. Students will be expected to revisit work (tests, quizzes, projects, papers, etc.) in all instances where it is clear that additional study, effort and time will produce higher achievement.

ACCOUNTABILITY

1. All administrators shall put into place in each school those procedures and practices which fully implement Board policy as stated herein. All staff shall professionally adhere to this policy.

2. The Superintendent, or designee, shall ensure that student achievement is evaluated across all grade levels on an ongoing and consistent basis. The criteria, indicators, standards and benchmarks must be related to district goals and objectives.

3. The Superintendent or designee shall annually report to the Cherry Hill Board of Education and the community at a regularly scheduled meeting an evaluation of relevant student-related achievement toward meeting district and school goals and objectives.
