Tentative Plan for 4-Day-Per-Week-In-School Hybrid; Related Survey

As part of our ongoing WE Return to Learn Plan, we have tentatively identified the date of March 9, 2021 to bring all Hybrid Learners at all grade levels into our buildings 4 days per week.

Beginning March 9, 2021 from Tuesday-Friday, elementary and middle school Hybrid Learners will follow their current hours (elementary: 9 am-1 pm; middle schools: 8 am-12:16 pm); the high school schedule will be extended from 9:45 am-2:30 pm to allow for a 20-minute snack break. SNACK WILL BE ALLOWED AT ALL GRADE LEVELS IN OUR SCHOOL BUILDINGS, BUT LUNCH WILL NOT BE SERVED. Every Monday will remain an all-remote learning day.

Bringing all Hybrid Learners into our buildings, 4 days per week, may mean that in some classrooms, we may be unable to keep students 6 feet apart at all times.

Beginning Monday, February 22, 2021, we will require parents to complete a survey FOR EACH CHILD in the Genesis portal, indicating whether the parents will commit to sending their child to school 4 days per week beginning March 9, 2021 or commit to having them on full virtual instruction. The survey will be open from Monday, February 22, 2021 through Saturday, February 27, 2021.

Our WE Return to Learn Committees will meet next week to discuss additional details.
Communication confirming our plan for 4-Day-Per-Week-In-School Hybrid Learning will be sent to parents by March 3, 2021.

**CHPS COVID-19 Dashboard Corrections**

We understand there has been confusion in the Cherry Hill Public Schools community regarding discrepancies in the number of positive cases recorded on the COVID-19 Dashboard and the number of positive cases communicated in letters to parents. We apologize for the confusion and have reformatted the reporting process to ensure accuracy on the COVID-19 Dashboard, available at [https://www.chclc.org/covid19dashboard](https://www.chclc.org/covid19dashboard) and updated every Friday.

COVID-19 Prevention Guidelines

Maintaining the health and safety of our school community is of utmost importance, particularly during this unprecedented pandemic situation. Providing a safe environment is a partnership between parents/guardians and the school district. The CHPS has put into place many measures to keep our students and staff safe while they are in school. We ask that our parents and guardians help to prevent the spread of COVID, as well as other illnesses by:

- Following the [COVID-19 checklist guidelines](https://www.smore.com/wdec6)
- Reporting to the nurse if your child or any household member tests positive for COVID, or if they have an actual or suspected COVID exposure
- Keeping your child home when they are sick,
- Promptly picking your child up if they become sick at school,
- Alerting the school nurse about any planned travel to discuss the required post-quarantine guideline, prior to sending your child back to school

If you have any questions or concerns, please reach out to your school nurse for guidance.
