

Summer 2023

Dear Students and Parents,

Welcome to Second Grade!!! We are looking forward to meeting all of you in the fall. To get you ready and excited, we have compiled a list of supplies that you will need. Below is a list of supplies that your teacher would like you to bring to start the year off right. It is important that each student has their own supplies, as we are not able to share all supplies with each other. We hope you all have a wonderful summer and we will see you in September.

Enjoy,
The Second Grade Teachers
