

3rd Grade Supply List

We are so excited to begin the year, and wanted to help make the transition to third grade as seamless as possible.

- Many sharpened pencils
- Large pencil eraser
- 2 boxes of tissues
- 1 package of fine point dry erase markers (3 or 4)
- 1 sock to be used as an eraser for whiteboard
- 1 Highlighter
- Earbud headphones labeled and put in Ziploc bag
- 1 Soft pencil case (supplies must fit in pencil case, no markers)
- 4 large marble copybooks*
- 1 plastic two-pocket folder - decorative (no solid colors)
- 6 two-pocket plastic folders (red, yellow, blue, green, orange, purple)
- 1 pack of colored pencils

Optional: tennis balls with a cut opening for chairs/desks, Clorox wipes

*One of the large marble copybooks will be your child's writer's notebook. We would like the covers to be decorated, front and back, with words and pictures that describe your child's favorite things. Use magazine pictures, photos, stickers, etc. Label it ***Writer's Notebook***. After the book covers are decorated, please cover them with clear contact paper.

Third grade is truly a milestone year. You will see many changes in your child, in the third grade curriculum, and in student expectation. We look forward to seeing you!
