Dr. Toni Damon, Principal

September 13, 2021

Dear Parent/Guardian:

Welcome to the High School West Title I Program for the 2021-2022 school year. We are proud to announce that this year will be the fourth year that we are a school wide Title I program. Title I is the name of the funding provided us by the federal government to support academic achievement for all students at High School West. The purpose of a Title I Program is to increase the educational opportunities for the students being served by providing additional supports to help them achieve success. Title I Programs have the same high standards as all programs provided in the Cherry Hill Public Schools. Title I provides an opportunity for students to take advantage of additional supports and services to help achieve success on state standardized tests and in core academic areas.

All students at High School West are eligible for these supports if they should need them at any time during the school year. Some of the ways that Title I funds support your child include additional teachers hired to support students in English, technology in each classroom to support learning including software, an additional Student Advocate to work with your child, as well as professional development programs provided to increase engagement and achievement for all teachers in all courses.

Attached you will find additional materials further explaining Title I services. There will also be a Q & A session during our September 23 Back to School Night. Ms. Staffin will be available in the CH West Library to answer any questions. Look for a video detailing our Title I information in your Back To School Night information documents.

Please contact Allison Staffin at astaffin@chclc.org, or (856) 663-8006 x.1740 with any questions.

Sincerely,

Toni Damon

Dr. Toni Damon
Principal
