

Cherry Hill Public Schools
Title 1 – Parent Permission for Placement
(TARGETED ASSISTANCE SCHOOL)

Parent Permission for Placement

Dear parent/guardian of: **Cherry Hill Alternative Student**

Welcome to Title 1. The purpose of a Title 1 program is to improve the educational opportunities of the students being served by providing additional instruction to help them achieve success in the regular educational program; Title 1 students have the same high standards as all students in Cherry Hill Public Schools.

Your child has been selected for Title I services. Selection of students into the Title 1 program is based on the following criteria:

1. Need for targeted instruction to address skill deficits in Mathematics.
2. Need for targeted instruction to address skill deficits in English Language Arts.
3. Need for targeted instruction to enhance social-emotional skills.

Placement of a child into Title I services is always done with parent knowledge and consent. Please sign below and check no if you do not want your child to receive Title I services. If you have any special instructions for the teacher(s), please check yes below and provide us with that information. ***If we do not receive this form back from you, your child will receive Title I services.*** I am available for questions, general information, etc. Finally, I ask that you please attend our Title 1 Fall Parent Open House on October 4th, 2023. We will begin at 11:00 AM and light refreshments will be served. At this meeting, we hope to introduce you to the specifics of the Title 1 program.
