Student Representatives reported on activities and events held at their respective schools.

#### Public Discussion – Action Agenda

A speaker commented on Dr. Chapman being temporarily reassigned from District, Assistant Superintendent, to District Assistant Superintendent/Interim Principal at Cherry Hill High School East.

#### Superintendent's Comments

Dr. Reusche reported that there has been quite a bit of activity taking place in the district with the adults this summer. The Administrative team spent 3 full days looking at work that has been accomplished in the district, planning for the teacher evaluation system that will be in place along with training around that system as well.

Teachers have been over at H.S. East using that as the facility this week and will be there again next week continuing work on our English/Language Arts Curriculum.

Principals and Administrators are busily interviewing and meeting teacher candidates for Educational Assistant positions. We also have interviewing taking place here at Malberg for a supervisor with a science background that will be added on to our team and hope to recommend a candidate to the board at the August meeting..

Mrs. Judge called the meeting to order from the recess for public discussion for the purpose of considering and voting on the items presented in the Action Agenda which is incorporated as part of the minutes on pages 12 through 54 which follow:
