**Pre-Participation Physical Form**

Prior to participation on a school-sponsored interscholastic or intramural athletic team or squad, each student athlete in grades 6 through 12 must present a completed pre-participation physical evaluation (PPE) form to the designated school staff member. Important information regarding the PPE is provided below, and you **should share this document with your child's medical home health care provider.**

**Complete ALL Release Forms**

**Hospital Preference**  
Please indicate your **Hospital Preference** with a 1st & 2nd choice of hospital below  
*\*Every effort will be made to comply with parent wishes. However, regulations governing medical emergency ambulances may require transportation to the nearest hospital.*

We further understand that the Board of Education has purchased "Full Excess" accident insurance coverage for all interscholastic sports. Full Excess means that the parents' insurance must be used first. Any medical expense not covered by their insurance can be submitted under the full excess policy, and will be paid on a reasonable basis
