General Question -

Identified Need(s)/Priority(s): What is a specific need or priority in your school district or a school within your district? This could be related to academics, family and community engagement, school climate or culture (including discipline and absenteeism rates), or other needs related to student outcomes.

What is the need/priority?	
How do you know this is a need/priority? Is there any data?	

--

Planning Instructions: As each entitlement grant is presented, jot down some ideas about how funds from each grant can be used in a coordinated way to improve or enhance what the school district is currently doing.
